Inclement Weather

In an emergency (weather or early dismissal) parents will be notified through the Honeywell Instant Alert System. This is a secure, password-protected profile that will allow you to decide how you wish to be notified. For parents who have not registered, please visit the Honeywell site at <https://instantalert.honeywell.com>. If you have any questions, please contact the main office at (856) 234-4442.

Please note that Kingsway still participates in the Emergency Closing systems on radio and television. Moorestown's school closing number is 627. On the local TV news programs, schools are listed by name. Notices are also posted on the website and social media.

Absences

Please contact Kingsway by 8:30 am if your child will be absent. If your child is not in school and we did not receive a call, our office will contact you as a safety measure.

Picking Up

Please notify the school office by written note if your child is not going home on his/her usual school bus. Include the name of the person(s) who will be picking up your child and the reason. Please have your child signed out in the main office. **Please note: Parents are responsible for contacting the school bus company if your child will not be riding the bus to or from school.**
